

With a palette of dreamy synths, punchy drum machines, and crystal-clear vocals, dolltr!ck paints fusions of electronica, pop, future bass, and dance music. Known for her dynamic onstage performances, the artist project of Singapore-born music technologist Claire Marie Lim presents captivating sets of live electronic music that will both keep you dancing on your feet and hit you hard in the feels.

"Electronic music is evolving and dolltr!ck is making her way in the international music scene with new artistic expressions."

- ZioMusic Italy

"'Battleground' introduces us to dolltr!ck's unique blend of feel-good electro-pop. A picture of a song, the impeccably produced track builds a new auditorial universe."

- Bandwagon Asia

"On 'Dream Away', Lim bombards you with a sugary beat that's not too far removed from the pink Internet aesthetic of Porter Robinson."

- From the Intercom

"My Brightest Diamond's French has never sounded better on dolltr!ck's new pulsing house-inspired remix of 'Champagne'."

- FLOOD Magazine

"In a genre dominated by men, Lim is not your typical electronic musician. dolltr!ck is shattering the glass ceiling of electronic music."

- Queens Daily Eagle
